Deutsche Messe

CeBIT

Ready for the digital transformation

3,300

enterprises from 70 countries showcase innovative products and digital solutions

Industry 4.0
From Vision to Reality

“d!conomy: join – create – succeed”: Under this heading CeBIT 2016 will get to grips with the all-pervasive topic of digitization and investigate the role of users in shaping the digital transformation. With its sharp focus on the Internet of Things, new value chains and disruptive business models across all sectors of industry, CeBIT will show you how to unlock the potential of digital technology.

More than 350 startups present their creative ideas

1,000

hours of conferences, forums and workshops foster effective knowledge transfer

Services and information
